Incorporated: 1831

Origin: Effingham, chartered in 1749, had a substantial amount of fertile farm and mill stream land. This land was attractive to settlers from Maine, and many came across the border to settle in Effingham. There was a conflict of culture and religion between the "liberal" new colonists and "conservative" people from the seacoast who already lived in Effingham. As a result, a section of that town known as North Effingham was separated into a town of its own. Incorporated as North Effingham in 1831, the town's name was appropriately changed to Freedom in 1832.
